

CONTACTS & EMERGENCY PHONE NUMBERS

We will be returning to the Gateway church building about 7:00 p.m. on Sunday April 8th. Once we are well on our way home we will let the chorus members know a more accurate expected arrival time in order that they might be able to call you with that information. If your child will not have a cell phone with them we will allow them to use one of our cell phones to contact you. Please make sure that your child knows what number they will be able to reach you at on that day.

EMERGENCY NUMBERS:

While we are on tour you can contact Philip Brackney on his cell phone at 734-931-2223. The host home contacts listed below may be used in the event you cannot reach us at the above number or at the chaperone's hotel listed below. Philip along with the host home contacts will have an emergency list where your child can be reached directly at their host home if you find that necessary.
