

## Membership Recruiting Incentive Form

An incentive program has been put into place by the MDYC Board of Trustees to help increase membership in the group. The incentive is a **\$50 credit** to a returning MDYC member who recruits a new member to join MDYC. Since the goal is to bring in and retain members for MDYC, the following guidelines must be followed in order to receive the incentive.

- 1) The recruited new member must be new to MDYC, not returning or ever having been a member of MDYC.
- 2) The recruited member must have fully paid their membership dues before recruiting member may receive recruiting incentive.
- 3) There is a limit of 10 recruits per returning member
- 4) There is only one(1) \$50 incentive per recruit (i.e. if two MDYC members help recruit a new member there is only \$50 to be split between the recruiting members, each recruiter would receive a \$25 incentive)
- 5) This incentive is only offered for the first year a new member is in MDYC.

We do not want there to be any misunderstanding of this program so we ask that each new recruit and one of their parents as well as the recruiting member and one of their parents sign this form stating that they understand the program as defined above.

**New member:** I understand that the recruiting member listed below will receive an incentive credit of \$50 applied to their MDYC account if I am accepted as a member of MDYC and once my membership dues have been paid in full.
