

2018 SPRING TOUR

Dear Parents,

Tour is almost here!!! Plans are complete for a time of great fun, fellowship and service to God. The cost for tour this year is at **\$625.00**. This will include all transportation, all required hotel costs, all food for our regular meal times and admission to any scheduled entertainment event. *Snacks and souvenirs will be covered by the individual's spending money.*

It is recommended that personal spending money for each person be in the range of \$60.00 to \$80.00. If as of this date you have not made the final payment, it is due by March 18th. If you are not sure of your child's balance please contact Mr. Bill Nichols, the Chorus Treasurer. If you any questions regarding tour please let us know.

The **Tour Itinerary** is enclosed. Please look it over carefully. Feel free to call one of us if you have any questions about our plans.

Tour Guidelines are enclosed. **Please read them over with your son or daughter**, they must be signed and returned the morning of departure.

We will also be going over the guidelines with the chorus before we depart.

No chorus member will depart without the completed form.

A **Medical Permission Slip** is enclosed. It must be completed, signed by a parent, and turned in at check-in. ***No chorus member will depart without the completed form.***

We might be visiting places where your family or friends live. If you think they might like to have your chorus member(s) spend the night in their home, **please contact Philip Brackney on or before March 19th**, we will add that information to the list we are sending the host congregations and/or the hotel.

Chorus members are expected to stay with the tour at all times from check-in Saturday morning, March 31st, until our return on Sunday evening, April 8th. We will not allow your chorus member to leave the tour for any reason without ***permission in writing*** from you (a Permission Slip to Depart from Tour Schedule is enclosed).

It is our prayer that the events of this tour will create life-long impressions upon each chorus member of the joy and the rewards they can have serving God. We ask for your prayers for our safe travel and successful ministries in music.

In His service,

Philip Brackney, Tour Director
for the Board of Trustees
