

Metropolitan Detroit Youth Chorus

Sponsor Information

The Metropolitan Detroit Youth Chorus (MDYC) has been ministering with music to people in the metropolitan Detroit area and around the country for over 50 years! MDYC is made up of around 60 young people ranging in age from 14 through 18 years old.

As a group of a'cappella singers, we provide a musical experience that encourages both ourselves and our listeners in devotion to Christ and Christian principles. These young people represent more than 15 congregations of the Churches of Christ and other Christian churches throughout the metropolitan Detroit area.

We are a non-profit, 501(c)3 organization and we need your support to help off-set the costs for our students. All donations are tax-deductible.

Sponsors will be listed on our “Sponsor Board” in the lobby of each of the more than 10 churches we perform at across the metro Detroit area from December to May.
